Comment

A bumper issue! And not just because of the welcome display adverts: there really is a lot going on this autumn.

Top of the bill has to be the wonderful Ealing Autumn Festival, with so many of our members involved. Take a look at the centre spread and marvel at what Gillian Spragg and her team are bringing into being.

And yet there's so much more – over six pages of music (not counting the adverts), and the largest Art & Crafts and Culture & Learning sections I can remember. If there's nothing for you in these pages, you are indeed hard to please. More likely you'll be spoilt for choice.

Whether you're participating or swelling the audiences (maybe both at different times), give thanks and enjoy!

WEEKLY REHEARSALS

We perform great music.

We give three or four concerts each year by great composers: Mozart, Byrd, Karl Jenkins and Puccini to name but a few. Our repertoire is amazingly wide-ranging.

We sing huge choral works ... Brahms Requiem. We sing operatic works ... Prokofiev's Alexander Nevsky. We sing beautiful, simple a capella music ... Vaughan Williams Mass in G Minor. We don't fit into a musical box!

We usually have at least one choral workshop a year and various social events too.
