Do please use this list when planning, to avoid other people's dates, and let them avoid yours. It's only of any use, though, if you send me your dates.
All you have to do is remember to check the list on line (or ring me up) **before** finalising your dates, and then drop me an email (or ring me up) once they're chosen – easy!
Do get in touch; it's no good complaining about clashes if you don't keep others informed.

Entries which are new or changed since 10/9/26 are shown thus.

Thanks very much.

Richard Partridge

P.S. I'd be more than happy to include a link to your society's web site if you give me the address.
